Fiscal Year 2018  
Annual Report

NEARLY **13,000** ANIMALS ENTER  
OUR SHELTER EACH YEAR

## A Message from the President & CEO

Dear Friends of the **SPCA Cincinnati**,

First and foremost, I sincerely thank all of our Supporters, Donors, Sponsors, Volunteers, Trustees, and Staff. Their personal involvement is the critical ingredient for the successful fulfillment of our Mission.

We worked diligently in 2018 to take our organization to the next level. We placed 100% of adoptable pets into forever homes. We achieved our net-zero sterilization goal - no waiting for spay/neuter surgeries. We increased our overall live release rate to over 90%. We decreased our average length of stay to less than one week. 100% of our dogs received a rabies vaccination. 100% of all pets are on flea and tick prevention. We transported dogs to new homes across our country. We created a specialized process for the critical care of Bottle Baby Kittens. We behaviorally train dogs prior to adoption. We are preparing the **SPCA Cincinnati** Simmonds Farm for summer camp kids. We also created the Pet Coalition of Greater Cincinnati, which is an active partnership dedicated to working together to improve our community.

All of these achievements are the groundwork for our next important steps forward - building the state-of-the-art Joanie Bernard Foundation Cat Center and the expansion of our Sharonville dog kennels.

Thank you again for all of your support and loyalty,

## A Message from the Chair

Dear Friends of the **SPCA Cincinnati**,

For 145 years, the **SPCA Cincinnati** has been an essential resource to our Community. The services and programs we provide are a significant part to solving our community pet issues. The continuing support from the Cincinnati Community is essential to our mission. On behalf of the Board of Trustees, I want to thank and congratulate our dedicated and committed Staff and Volunteers.

As an open admission facility, our shelters act as a critical safety net for every stray and companion animal in the Greater Cincinnati Area.

In 2018, we again accepted the contract for the Hamilton County Dog Warden duties. We discharge these duties with compassion and care to serve and protect all animals.

Our generous Donors, Volunteers, Staff, and Community Supporters allow us to provide outstanding services that have a tremendous impact on animal welfare in Southwest Ohio. As you read this annual report, I encourage you to reflect on the many diverse ways our organization strengthens the relationship between pets and people in our Community.

Sincerely,

Thomas W. Chatham
