**Shell and Gilligan Company Invites You to
Pull-Up, Pump, and Adopt!**

Cincinnati, OH – We are pumping for pets and finding forever homes at the same time! The **SPCA Cincinnati**, **Shell**, and the **Gilligan Company** family of brands invites the Tri-State to join us for our mobile adoption event. Mark your calendar for Wednesday, May 12, 2021 from 10:00 a.m. to 1:00 p.m. at the **Shell** gas station located on 9791 S. Mason-Montgomery Road. It's your chance to fill-up the tank and help save an animal's life by doing what you do every day.

Making a difference in our community has been made easy! Just pull-up and service your car at the **SPCA Cincinnati's Shell** pump during this very special promotion. Our "Pump for Pets" campaign is doing really well. How does it work? Every .01¢ per gallon goes to the **SPCA Cincinnati's** lifesaving mission. To-date, our community has raised over \$850! It's truly fantastic, and we are excited to keep the momentum going!

During the May 12th mobile adoption event, we will have both cats and dogs available for meet-and-greet. Adoptions will be conveniently processed onsite as well. Tell everyone about it! And, as you prepare to hit the road this travel season don't forget to stop by **Shell**! This simple and generous contribution makes a huge difference in animal welfare here in Greater Cincinnati.

We invite our media affiliates to join us at 9791 S. Mason-Montgomery Rd. on May 12th beginning at 10:00 a.m. We also thank **Shell**, and the **Gilligan Company** family of brands, for their dedication to improving communities in which they serve! For additional inquiries, contact Nyketa Gaffney, the **SPCA Cincinnati's** Public Relations Manager, at 513-526-3767 or ngaffney@spcacincinnati.org.
