A Message from the President & CEO

Dear Friends of the **SPCA Cincinnati**,

The year 2020 and the COVID-19 pandemic has challenged us in ways we never could have imagined. It forced us to evaluate how we manage the flow of animals through our shelter, how we process adoptions, and how to support pets and their owners in more impactful ways. It also reminded us how lucky we are to live in community who supports its animals.

Together, we created a new paperless system from the initial surrender to post-adoption process. To protect our staff, volunteers, and community, our shelter was closed to the public but our important work of placing adoptable pets in homes did not stop. We found creative solutions such as our new and highly effective scheduling system for adoption visits. We also created the Chow Now Pet Pantry, providing food to the most vulnerable animals.

We believe the relationship between humans and animals has deep significance, especially during the pandemic. This belief is also shared by you! The **SPCA Cincinnati** called upon our community to take action and countless answered that call. Hundreds of new Foster Families opened their hearts and homes to our adoptable pets.

We finished our K9 Kennel Expansion Project, allowing us to effectively manage both the quarantine and transportation of pets within and beyond our region. We were able to increase the level of medical care for each pet. All of our dogs received a rabies vaccination as well as flea and tick medications. The world around us was drastically changing, but our core goal as a no-kill shelter never did – we placed 100% of adoptable pets into forever homes.

As one of the oldest charities in Greater Cincinnati and the first Humane Society in Ohio, we have been caring for our community's most vulnerable for 148 years. We are able to continue to advance our shelter services to meet the needs of adoptable pets, thanks to you. Because of your passion, commitment, and support, we've been able to help our precious dogs and cats through these difficult times. Thank you for choosing to make a difference in our animals' lives for the better.

Thank you again for all of your support and loyalty,

Mike Retzlaff,

Interim President & CEO

SPCA Cincinnati

A Message from the Chair

Dear Friends of the **SPCA Cincinnati**,

Thank you to our generous Donors, Volunteers, Staff and Community Supporters. There is little question that the Covid 19 pandemic made 2020 a challenging year for businesses, non profits and Individuals. SPCA navigated the pandemic successfully while continuing our services to animals in need and the animal welfare community.

The **SPCA Cincinnati** worked closely with Hamilton County to successfully transition out of the Dog Warden services contract as these functions were no longer aligned with our current mission. Our new direction is focused on being a no kill shelter education, the elimination of the inhumane treatment of all animals and enhancing the bond between humans and animals.

Your continued support is appreciated and essential to our mission. On behalf of the Board of Trustees I want to thank you and congratulate our dedicated and committed Staff and Volunteers.

Sincerely,

Thomas W. Chatham
